APRIL 26: CHARLES RIVER CLEANUP

Oh, Charles River. You've been our running partner during 5 a.m. marathon training jogs. You've posed for some of our favorite scenic photos of Boston. Now, we all have a chance to give back. Join more than 2,000 volunteers ready to pick up trash along the river and its tributaries from Cambridge to Newton.

9 a.m. to noon. Various locations along the Charles River, 781-788-0007 x 303. crwa.org
